Report on Webinar (05/06/2021)

The Department of Geography of Gobinda Prasad Mahavidyalaya, Amarkanana, Bankura, 722133, W.B. organized a one day state level webinar on Environment Day on 5th June, 2021 through google meet. The link of the programme was <https://meet.com.zrm-ztbk-vhb>. More than 80 participants from our college participated in the webinar including our faculty members.

Two famous Scholars in Geography from different college including i) Dr. Sucheta Mukherjee Assistant professor, Sri Path Singha college, Mursidabad, W.B. and ii) Dr. Malavika Sinha, Assistant Professor of Jog maya Debi college in Kolkata were invited as resource person on 05.06.2021.

The programme started with the welcome address by Dr. Tushar Kanti Halder, Principal of the college and basic information regarding the programme were delivered by Prof. Parimal Saren, IQAC co-ordinator.

Dr. Sucheta Mukherjee delivered his valuable speech on Remote Sensing (Definition of remote sensing, need of remote sensing, who uses of remote sensing and why? and process of remote sensing) and Dr. Malavika Sinha delivered her speech on Ground water management in Bankura district (meaning, causes of deflection of ground water resource, effect of ground water deflection, how can conservation of ground water resource). The Programme ended with a vote of thanks.
