

Strategic Plan and Deployment

Year 2020-2021

The broad based strategic plan is developed at the beginning of each session which is then reviewed at the end of the year before finalizing the annual plan for next academic session. The strategic plan ensures that the set targets are achieved through accountability process consisting of review, evaluation and reporting and if necessary, re-planning. All the statutory committees, like, Academic Core Committee members Finance Committee, Library Committee, Project Monitoring committee, Building Committee, Purchase Committee, all are involved in making the plan which is placed before the Governing body for approval. After securing the green signal from the apex body, i.e, the Governing body, the institution goes ahead with its developmental plans.
