Description of the Event: A state level of Seminar was organised by the Department of Geography, Gobinda Prasad Mahavidyalaya, Amarkanan, Bankura, W.B, on 22nd March, 2023. Dr. Subrata Pan, Associate Professor of Geography, Bankura Christian College was invited as Resource Persons on the Seminar. The Programme started with the welcome address by the IQAC Coordinator Prof. Parimal Saren, at 11.30 am onwards.

Dr. Subrata Pan, had delivered a very nice and thought-provoking lecture on the topic " Water Pollution." He presentation his lecture with the help of power point. Water pollution is a global issue that needs the evaluation and careful scrutiny of all the water resources and it is suggested that the water pollution is the major reason of deaths and diseases in the world. The water pollution accounts for the death of nearly 14,000 people per day and in this issue, if we talk about India then it is estimated that every day 580 people die due to the illness related to the water pollution. Pan was Also explained definition of water pollution, types of water pollution, causes of water pollution, effects of water pollution and he discuss how to mitigate water pollution.

The Programme was ended with the vote of thanks given by Mr. Pavel Sarkar, Organizer of the Programme at 12.30 P.M.
