Objectives of the event:

To spread awareness against the outbreak of Dengue, Malaria, Chikunguniya and other diseases that can be caused by Mosquito bite.

Description of the event:

As part of its regular activities in the adopted villages, the two NSS UNITS of Gobinda Prasad Mahavidyalaya distributed Mosquito nets among the villagers of the two adopted villages Goramara and Bhairabpur and tried to spread awareness against the outbreak of Dengue, Malaria, Chikunguniya and other diseases that can be caused by Mosquito bite. The volunteers spoke on preventive measures like, maintaining fly screens on windows, doors, vents and chimneys, using insect sprays both inside and outside the house to kill mosquitoes, removing stagnant water around the house so that mosquitoes can't breed, checking and maintain rainwater tanks and water storage vessels.
