29	PRIYA DAS	Bengali hons	IV
30	PRIYA GOSWAMI	Program (pass)	II

Description of the event: It is observed on March 16 every year, as on the same day in 1995, the first dose of Oral Polio Vaccine was given in India. Therefore, the day celebrates the government of India's Pulse Polio Campaign. It was an initiative of the government to eradicate polio from the country. This year's theme is: **"Vaccines Work for all"**. As a part of it, the NSS UNIT I & II had organized a programme on the same topic. Students from various under graduate had participated enthusiastically in these events. As the final event of these celebrations, the NSS UNIT I & II invited Mr. Amit Koley (Faculty of Gobinda Prasad Mahavidyalaya) as the speaker in the programme where he delivered a talk on the topic entitled: **"Importance of National Vaccination Day/"**Vaccines help in preventing diseases that can be dangerous or even deadly. Vaccines reduce the risk of infection by working with the natural defences of the body to safely develop immunity to disease. Vaccines have become an essential weapon in the fight against deadly diseases like TB, tetanus, etc. in the last few decades. Vaccines have saved several lives. Therefore, National Vaccination Day states the importance of vaccines in today's world and cannot be ignored. Various vaccination campaigns are running worldwide to defeat deadly or fatal diseases like smallpox, COVID-19, etc. More than 30 participants from all over attended the programme.
