Description of the event:

Every year on April 7th, the World Health Day is celebrated to bring global attention to a specific health issue that impacts people worldwide. This day is also significant as it coincides with the founding day of the World Health Organisation (WHO) in 1948. This year marks the 75th anniversary of WHO. Each year, the WHO chooses a theme for the World Health Day, and various activities and events are organized to promote awareness of the issue. The aim is to encourage governments, organizations, and individuals to take action to improve global health and well-being. The World Health Day 2023 has adopted the theme **"Health for All"** with the objective of reflecting on the accomplishments of public health in enhancing people's quality of life over the past seven decades. As a part of it, the NSS UNIT I & II had organized a programme on the same topic. Students from various under graduate had participated enthusiastically in these events. As the final event of these celebrations, the NSS UNIT I & II invited Mr. Biswajit Talukdar, Mr. Tapan Kumar Pandit and Mr. Sanatan sahu(Faculty of Gobinda Prasad Mahavidyalaya) as the speaker in the programme where he delivered a talk on the topic entitled: **"Importance of world health Day."** Mr. Tapan Kumar Pandit spoke on how to take awareness about our health. More than 20 participants from all over attended the programme. Mr. Sanatan sahu concluded by explaining about the history of World Health Day.
