**Description of the event:** Every year on 31st May the World No Tobacco Day is celebrated. The day is celebrated to spread awareness about the harms of tobacco use. In 1987, the World Health Assembly passed a resolution calling for 7 April 1988 to be a "a world no-smoking day." Later in 1988, another resolution was passed, calling for the celebration of World No Tobacco Day, every year on 31 May.

This year the theme of the World No Tobacco Day is 'We need food, not tobacco'. The theme is chosen to spread awareness among tobacco farmers about alternative sustainable and nutritious crops. The theme was chosen considering the fact that around 3.5 million hectares of land are converted for tobacco growing each year globally which is creating food insecurity worldwide. As a part of it, the NSS UNIT I & II had organized a programme on the same topic. Students from various under graduate had participated enthusiastically in these events. As the final event of these celebrations, the NSS UNIT I & II invited Dr. Sathi Mukherjee and Mr. Amit Koley (Faculty of Gobinda Prasad Mahavidyalaya) as the speaker in the programme where he delivered a talk on the topic entitled: **"Importance of No Tobacco Day."** The day is celebrated to help those who wish to quit smoking as well as to raise awareness about the implications of smoking on an individual's health. The day was significantly started to aware people of the ill effects of smoking and help them quit it on time. Giving up smoking takes a lot of dedication and motivation as ones who smoke on a regular basis, their bodies get addicted to it. If they stop having smoke, their body reacts in a way that they crave tobacco.

The main goal of this day is to raise awareness about the detrimental health impacts of smoking and other forms of tobacco intake. The important message is to assist smokers in quitting their harmful habit.

Mr. Amit Koley spoke on bad effect of Tabaco. More than 26 participants from all over attended the programme. Dr. Sathi Mukherjee concluded by explaining about the history of World No Tabaco Day.
