Description of the event: World Leprosy Day is observed internationally every year on the last Sunday of January to increase the public awareness of leprosy or Hansen's Disease. This date was chosen by French humanitarian Raoul Follereau as a tribute to the life of Mahatma Gandhi who had compassion for people afflicted with leprosy. As a part of it, NSS unit I & II had organized a programme on the same topic on 31st January 2023. Prof. Parimal Saren (IQAC Co-ordinator of Gobinda Prasad Mahavidyalaya) as the guest of honour in the programme where he delivered a speech on the topic entitled: "World Leprosy Eradication Day 2023." More than 26 participants from all over attended the programme. Mr. Amit Koley concluded the programme with the vote of thanks.
