Description of the event: World Thalassaemia Day takes place on May 8 every year. It is dedicated to Thalassaemia patients who are battling an inherited disorder where the oxygencarrying proteins in the blood are lesser than normal. In simpler words, the body fails to produce the required amount of haemoglobin. Hence, it is a day to create awareness regarding blood disease. As a part of it, NSS Unit had organized a programme on the same topic on 8th May, 2023. Students from various under graduate had participated enthusiastically in these events. As the final event of these celebrations, the NSS Unit I & II invited Mrs. Dipali Banerjee (Anwesha Clinic, Amarkanan Rural Hospital), Mr. Dhananjoy Karmakar (MSW, PGDGC, RKSK Counsellor) and Dr. Tushar Kanti Halder (Principal of Gobinda Prasad Mahavidyalaya) as the guest of honour in the programme where he delivered a speech on the topic entitled: "Importance of Thalassemia Day." Dr. Tushar Kanti Halder speech on history of World Red Cross Day. More than 47 participants from all over attended the programme. Mr. Amit Koley concluded the programme with the vote of thanks.
