**Description of the event:** In 2023, the global cancer community commemorates World Cancer Day, on February 4, with the slogan "Close the care gap", and the call to unite our voices and take action. World Cancer Day aims to promote awareness on cancer as a public health issue and to strengthen actions towards improving access to quality care, screening, early detection, treatment and palliative care. This year's theme marks the second year of the campaign "close the care gap" which is about understanding the inequities in cancer care and taking actions to make the necessary progress to address them. As a part of it, NSS unit I & II had organized a programme on the same topic on 4<sup>th</sup> February 2023. Dr. Tushar Kanti Halder (Principal of Gobinda Prasad Mahavidyalaya) as the guest of honour in the programme where he delivered a speech on the topic entitled: "World Cancer Day 2023." More than 30 participants from all over attended the programme. Mr. Amit Koley concluded the programme with the vote of thanks.
