16	Bristi Hader	22081204012

Description of the event: World Malaria Day is observed every year on April 25 to raise awareness of the global effort to control, prevent and eventually eradicate malaria. The day was first recognized in 2007 by the World Health Organization (**WHO**) as a way to shine a light on the devastating impact of malaria and to encourage governments, health organizations, and individuals to take action against this deadly disease. As a part of it, the NSS UNIT I & II had organized a programme on the same topic. Students from various under graduate had participated enthusiastically in these events. As the final event of these celebrations, the NSS UNIT I & II invited Mr. Pavel Sarkar and Miss. Debanjana Karmakar (Faculty of Gobinda Prasad Mahavidyalaya) as the speaker in the programme where he delivered a speech on the topic entitled: **"History and Importance of World Malaria Day."** More than 16 participants from all over attended the programme.
