**Description of the event:** The World Population Day is celebrated on July 11 every year. The day is aimed at spreading awareness about issues related to population, including their relations to the environment and development. On the World Population Day, government organisations and agencies conduct interaction programmes with the public to

raise awareness on a host of topics related to the severity of rising population in the world. The theme for this year is "A world of 8 billion: Towards a resilient future for all. Harnessing opportunities and ensuring rights and choices for all". As the theme suggests, there are 8 billion people living today but not all of them have equal rights and opportunities. As a part of it, the NSS UNIT I & II had organized a programme on the same topic. Students from various under graduate had participated enthusiastically in these events. As the final event of these celebrations, the NSS UNIT I & II invited Mr. Biswajit Talukdar, and Mr. Pavel Sarkar (Faculty of Gobinda Prasad Mahavidyalaya) as the speaker in the programme where he delivered a talk on the topic entitled: "**Importance of World Population Day.**" More than 19 participants from all over attended the programme. Mr. Amit Koley concluded by explaining about the history of the Day.
